

BOURNE
ACADEMY

Head of School

Friday 19th April 2024

UPDATE

Dear parents/carers and students,

Welcome to Term 5. This academic year has flown by with only two terms left before the summer holiday arrives. What a great start to Term 5, we have had at Bourne Academy!

We would like to thank our students and staff for attending our Easter revision sessions. It was encouraging to see so many of our Year 11 and Year 13 students taking advantage of this opportunity. The students have all spoken very highly of the sessions and how useful they were for their preparation for the upcoming examination season. We understand that this time for our Year 11 and Year 13 students can be very worrying, but please be reassured we are always here to support our students, through this journey.

Over the course of this week, our Year 10 students have been sitting a number of Pre-Public Examinations (PPE) in various subject areas. This has provided our students with an opportunity to experience what is to be expected when they sit their final GCSE examinations next academic year. There will of course be further practice exam opportunities when this cohort of students are in Year 11. These exams will continue next week in various subjects.

Next week will also be very important for our Year 9 students. The Year 9 students embark upon their GCSE/BTEC option choices journey this term. We realise this is one of the most important decisions of their educational career, which is why we have dedicated a whole section of our school website to help students through the decision-making process in order to get it right. Yesterday our Year 9 students had an options assembly delivered by our Options Team and Careers Coordinator. The Options Form will be sent home via ParentMail during the course of next week and students must choose their subjects by Friday 3rd May 2024. We will then confirm the subjects in June 2024 as the timetable and staffing have to be in place before we are in a position to confirm. In the week commencing Monday 22nd April 2024, students in Year 9 will not be set any subject homework. Instead we are asking them to study the subject information that can be found via the links below and watching the subject videos.

Next week we continue with our many practical exams, in particular our Year 11 GCSE Art students will be undertaking their ten hour exam which spans across two days. We wish all students every success with this.

We are also looking forward to hosting The Faraday Challenge Day, next week where students from all four schools in our Trust will compete against each other in a series of STEM activities.

Aspire • Challenge • Achieve

Finally, at the end of this update, you will find details of the extra-curricular, enrichment and Year 11 revision sessions that take place during lunchtimes and after-school. We encourage you to look at this as these provide fantastic opportunities for students and there is something for all year groups.

Have a lovely weekend.

Kindest regards,

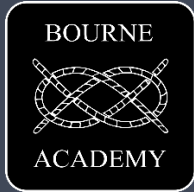

Bourne Academy
