## UPDATE

Dear parents/carers and students,

Welcome back to our final school term of this academic year. Our first week back to school has been as busy as always!

Students have returned to school looking even smarter than ever. As the weather starts to warm up, we will ensure students can remove their blazers during the school day. We will make this decision on a daily basis, so for now students must continue to wear their school blazers.

We are sure our Year 11 and Year 13 students appreciated the half term break as they have continued to sit their formal examinations over the course of this week. We would like to thank all parents/carers for continuing to support their child arriving prepared and on time. The crammers and support from teaching staff is still available for students as per their exam timetable. In addition to this, we would like to remind parents/carers and students that all school resources are still available for students should they require to access them. For example, our safeguarding team and careers department if any further advice or support is needed.

Tickets for our end of year production of **'Disney's High School Musical on Stage!'** went on general sale earlier this week and over 60% of the tickets have already been purchased with Friday nearly sold out. Thank you to everyone for your support so far. There will be three evening performances on Wednesday 10<sup>th</sup> July, Thursday 11<sup>th</sup> July and Friday 12<sup>th</sup> July 2024, and when you book, you can select your preferred seats. Aspire • Challenge • Achieve

We have just received the news that Bourne Academy have achieved national success with the use of GCSEPod for our Key Stage 4 students. Our students have been utilising the online revision tool to support their learning and revision throughout the year and, in particular, towards the upcoming summer examination season. We have been recognised nationally for our commitment to this, we are the Top Trust in the country for the usage of this and Bourne Academy are the 10<sup>th</sup> highest user in the country - an amazing achievement!

One of the House competitions in the school calendar is our annual Sports Day on Wednesday 19<sup>th</sup> June 2024 at the Princess Royal Sports Arena in Boston. As in previous years, if your child is chosen to represent their House for the Sports Day, you will receive details via ParentMail with a proforma to complete and confirm you are happy for them to attend and represent their House team. In order to select participants for each House, students will be selected based on their scores/times achieved in PE lessons and the weekly after-school athletics club. We will provide further updates regarding the upcoming Sports Day in subsequent newsletters.

As the national General Election approaches, we are excited to announce a unique and educational opportunity for our students - a Trust-wide election! This initiative is designed to help our students understand the democratic process and the importance of civic engagement. Our Trust election will mirror the national election, allowing students to experience the excitement and responsibility of voting. Our Trust Sixth Form students have been allocated a political party where they will present and engage in discussions with our students. Our students will then cast their votes in a simulated election on Thursday 4<sup>th</sup> July 2024. This hands-on experience aims to foster a sense of citizenship and awareness of the democratic process. We encourage parents/carers to discuss the election process at home and share your voting experiences with your children. Your engagement will reinforce the lessons learned at school and show the importance of being an informed and active citizen.

We hope that everyone has a lovely weekend.

Kindest regards,

*Bourne Academy*
