UPDATE

Dear parents/carers and students,

In the lead-up to Christmas, we have some fantastic festive events happening across the rest of this term!

We are proud to continue offering a wide range of opportunities for our students - from sports fixtures and enrichment activities to targeted interventions that support success.

To celebrate Mrs Conley's incredible 35 years in education before her retirement at the end of 2025, we are holding a special one-off non-uniform day on Wednesday 3rd December 2025. Students are invited to wear something bright or sparkly! This event will raise funds for Young Minds, a leading UK charity dedicated to supporting children and young people's mental health. They provide vital resources, campaigns, and support services to ensure no young person faces mental health challenges alone. Your contributions will help make a real difference.

For this non-uniform day, we would also like to remind parents/carers to ensure that items that students keep in their blazer are still brought to school (and not left in the blazer). This may include items such as canteen cards, bus pass, strike card, passes and their money donation.

As well as the non-uniform day - staff, parents/carers, current and former students can also donate to a Just Giving page (www.justgiving.com/page/young-minds-mrs-conley), to raise additional monies for Young Minds. As Mrs Conley has requested for no retirement gifts (no even one!) ... please donate instead and help ensure no young person feels alone with their mental health.

Last night, a group of our Key Stage 3, Key Stage 4 and Sixth Form students competed in the first-ever Trust Debate Competition held at Spalding Academy, debating topics such as AI, the environment, finance, and sport. It was an outstanding evening where students stepped out of their comfort zones to engage in the art of debate. Listening to them speak with such confidence and passion was truly inspiring. I was amazed by the way our students articulated their diverse and culturally rich arguments - and it was fantastic to see parents joining in the experience too! Thank you to Mr Seston for organising the event and also running the lunchtime Debate Club along with Mrs Underdown. If any students wish to join the Debate Club, this takes place at Wednesday lunchtimes in room F16 and they can then be part of future competitions.

On Wednesday, our BTEC Performing Arts students in Years 10 and 11 enjoyed an inspiring trip to the New Theatre Peterborough to watch '2:22 A Ghost Story'. This is the national touring show of this award-winning performance and students benefitted from experiencing this production in a professional live theatre.

On Saturday, the spotlight shines on our talented singers as they take to the main stage at the Bourne Christmas Light Switch-On, showcasing their incredible voices and festive spirit. The Bourne schools have joined together to form a 'Mega-Choir' where they will be on stage at approximately 2.30pm, so please come down and join everyone in the festive spirit!

Thank you to everyone who supports these experiences - together, we're helping our students thrive both inside and outside the classroom!

Finally, a reminder for Year 9 parents/carers that our online Parents' Evening will take place on Thursday 11th December 2025 from 4.30pm to 7.30pm. This is an important opportunity to discuss your child's progress and upcoming Key Stage 4 (GCSE) options. Details on how to book appointments have been sent out and please ensure you book in advance.

Have a lovely weekend.

Kindest regards,

James Hind.

FESTIVE DATES FOR YOUR DIARY

Dear parents/carers,

We are delighted to share the festive activities planned for our school community this December. These events are designed to celebrate the season and create joyful experiences for our students.

Sparkle & Bright Non-Uniform Day

• Wednesday 3rd December 2025

This year, we are introducing a special non-uniform day with a theme of wearing something bright or that sparkles, or both! After 35 years of working in education, Mrs Conley is retiring at the end of 2025. Instead of leaving presents, she would like to raise money for the national Young Minds charity, which helps young people access mental health support. Donations are welcome to help us raise funds for this important cause (minimum donation of £1 please).

Wear a Christmas Item Day

• Friday 19th December 2025

Students can wear a festive accessory or festive clothing item to celebrate the last day of term.

Christmas Lunch

• Wednesday 3rd, 10th and 17th December 2025

The school canteen will serve a traditional Christmas lunch on the last three Wednesdays of term. This will be £3.20 for the Christmas lunch and 80p for dessert. We are very much looking forward to serving our fantastic Christmas lunch on these designated dates.

Charity Hampers

Our House tutor groups will be creating charity hampers to support local families in need. Across the Trust, we will be dividing our fantastic donations between local care homes and food banks (each school will donate to different organisations). This was very well supported by our families last year and we hope again to be donating some spectacular gifts to brighten up the day of those in need.

Film Festival

As part of our Aspire Reward celebration, students will enjoy a festive film and treats at the end of term. All students who have received an Aspire badge by Friday 5th December 2025 will be invited to attend the Festive Film event – therefore please encourage your child to get completing their challenges to enable them to be recognised and rewarded for their efforts.

Thank you for your continued support in making this festive season special for our students. Further details will be shared in the Head of School Updates closer to each event.
