

**THE SUMMER TERM IS ALWAYS A BUSY ONE
FROM THE VARIETY OF TRIPS VISITS AND
EVENTS TO THE NUMEROUS SPORTS FIXTURES
ON THE CALENDAR**

Executive Head Teacher's Message

Dear Parent/Carer,

It is going to be quite a challenge to fit in all that needs to be said after such a busy and successful term 6, but I hope that I manage to cover as much as possible.

Firstly, it was an extremely sad time to see some of our Year 11 and all of our Year 13 students leave the school, I will certainly miss all of the students in these year groups, I have many fond memories of their time at the school and I really hope they do too. However, we hosted two fantastic proms to celebrate and mark the end of this stage of their educational careers and I certainly wish all our leavers all the best for the future and every success in their future careers.

Many of our Year 11 students will be returning to the school in September to undertake an A Level or BTEC and there was a highly successful Post 16 induction day this term, which also introduced many new young people to Bourne Academy from other local schools, who will be welcomed in September too.

The all important results days are on Thursday 15 August for Year 12 and 13 and Thursday 22 August for Year 11 and for Post 16 enrolment, with doors opening at 07.30am. I will be publishing the results in the local press, on the school website and I will be writing to parents to share the key highlights.

Other successful transition events this term include the appointment of our four new Year 13 Head Students, all of whom are inspirational young people - Tom Paskin; Richard Kilby; Annabel Reynard; Gaby Ndlovu and the Year 10 prefects, with just over 120 students being awarded their prefect ties and attending a Prefect Celebration Breakfast. In addition, the Year 6 transition taster day, where all the staff, amazing current Year 7 Buddies and Mrs Revell - Year 7 Lead, welcomed our new cohort of Year 7 students. It was good to see so many students choosing Bourne Academy and I can confirm that our school is again oversubscribed, with 250 new Year 7's joining us in September.

As well as academic success you will see in this newsletter many other achievements that celebrate the number of talented students we have at Bourne Academy. This term saw our first Battle of the Bands, which was a very 'cool' event, showcasing a range of musical genres with the Year 12 band, Lord of the Good Sea Otters being the overall winners. You will be able to check this band out when they headline the Bourne Christmas Lights Switch On in December. Music at Bourne Academy goes from strength to strength with many group and individual successes, with notable talent recognised on page 10 including Iqra Malik's recording of her new single 'You Get What You Pay For', which I have already downloaded!

Also this term a high level of artist talent was displayed and observed by the public in the Bourne Town Hall Art Exhibition, celebrating the achievements of many of our students. A particular favourite piece for me, which can be seen in this newsletter, was the extremely well executed and skilfully cut screen print by Archie Hay, entitled 'Small Voice, Big Ideas'. Also at the Town Hall the talents of our performing arts students were demonstrated in the Broadway in Bourne musical event, where many of the audience commented that it was one of the best school events ever seen and which raised a significant amount of money to support the restoration of this building. For the students to be able to have art work and performance work showcased in such a prominent position at the Town Hall in Bourne has been a privilege and we are extremely thankful for this opportunity and hope to continue with this positive community link in the future. The way the students of all ages came together as a close community for these arts events is certainly inspirational.

Executive Head Teacher's Message

Other key highlights this term include some highly successful trips and visits such as the Year 9, 10 and 12 Geography field trips to many UK destinations and you will see on page 9 that it has been a very busy and purposeful term for this department, with students being able to gather important data and information to support their coursework. You will also be able to read about the Year 7 Lincoln Cathedral Spark Festival on page 7, where students were able to explore engineering opportunities, which they will hopefully explore further through the schools careers programme. The area of careers is one that we take very seriously and this will be a regular feature of the newsletter moving forward. All of the staff at Bourne Academy encourage our young people to aim as high as possible, we run many initiatives to raise aspiration such as the Year 12 work experience and on page 21 you can read about some of their experiences.

The sporting achievements of our students can be seen featured throughout this newsletter and there are so many successes that it is hard to identify just one or two as the key highlights! However, I would like to thank all of our students involved in the huge number of sporting events, as their dedication is inspirational and as are our PE staff. The staff and students work so well together and this teamwork is seen in the high level of sporting successes, including the annual Sports Day and the county athletics where many records were broken. Also, the rounders and cricket teams have seen success and continue to go from strength to strength. One of the most notable successes for me however, is that of Donovan Cape, who became the English Schools Champion in the Shot, what a huge achievement! We are very proud of Donovan and of all our sporting student successes and I am sure we will see continued and ongoing success in 2019/20!

With all that you have seen through our newsletters throughout the year, it will be no surprise to see that Bourne Academy was nominated for Secondary School of the Year again, an award we have previously won. This year we were proud to have been nominated for this category and to come runner up in this event. Congratulations also to Tom Paskin, runner up for Best Student category and to Mrs Fiona Martin, runner up for Outstanding Secondary School Teacher award.

Finally, I would like to wish everyone a restful and enjoyable summer break! I thank all of our parents and carers for your ongoing support and I look forward to welcoming all our young people back to school in September.

Kind regards,

A handwritten signature in black ink, appearing to read 'L. Conley', with a long horizontal line extending to the right.

Lucy Conley
Executive Head Teacher

The Royal Navy set our Year 10's a Ready Steady Cook Challenge

On 18 June two Royal Navy Chefs, from Navy Command, joined our Year 10s to set them a Ready Steady Cook Challenge.

The Year 10s were put in to teams and were given one mystery ingredient and then the pick of a wide variety of foods provided by the Navy. Their challenge was to design and create a two course fine dining quality meal.

The final dishes were amazing showing their advanced practical skills. During the course of the session the chefs shared some of their experiences at sea and the exciting destinations they had been to.

All in all everyone had a busy but fantastic morning.

Lord of the Good Sea Otters take the top spot at Bourne Academy's first Battle of the Bands

On Wednesday 3 July the first ever Bourne Academy Battle of the Bands rocked its way into the School Hall. Seven bands competed for a chance to be crowned Bourne Academy's elite ensemble and win a chance to perform at the 2019 Bourne Town Christmas Light Switch On. Each band performed a short set which included songs that the act had chosen, at the end of their set they were given constructive feedback by four judges who had marked them on their song choice, musical ability and the bands overall stage presence.

Each band played their hearts out and blew the audience away with their professionalism and talent. A few highlights included the year 8 duo Ollie and Cam, who sang a stripped back version of Ed Sheeran's Shape of You. A year 9 band, Sunlit Skies, also smashed out She's So Lovely by Scouting For Girls, which the crowd enjoyed.

The judges came to a decision that year 9 duo Caitlin and Chloe deserved to be awarded 3rd place for their positive performance on stage. Another year 9 band, Next Gen, claimed 2nd place with judges commenting on excellent harmonies throughout their set. The overall winners for the first Battle of the Bands were the year 12 band, Lord of the Good Sea Otters. It was clear for everyone to see that this band had worked exceptionally hard to create a clean and perfectly executed set! We look forward to seeing them performing in town for the Christmas Lights Switch On in December!

Although this was essentially a competition all the bands thoroughly supported one-another and it was genuinely great to feel such an incredibly relaxed atmosphere during the event. Mr Wood, the organiser of the event, said 'This was what it was all about, an opportunity to showcase the incredible talent we have at Bourne Academy. I look forward to seeing this event become established in the calendar and see its popularity grow'.

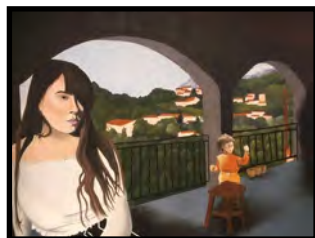

Art Exhibition—Old Bourne Town Hall

In July the Art department exhibited students work in our first solo exhibition at the Old Town Hall in Bourne. Our students have spent all year working really hard to develop their skills and ideas and this event gave us the perfect opportunity to celebrate their achievements with friends, families and the community. Earlier this year we were awarded Artsmark Platinum by the Arts Council England, partly due to our community involvement, so this event was also an opportunity to celebrate this.

We exhibited work by students from all key stages to showcase the diversity of work and the progression in their skills. The varied curriculum we teach at Bourne Academy allows students to find a way in which to best communicate their ideas and so visitors were able to see examples of painting, drawing, digital, textiles and three dimensional design.

Mrs Conley commented "We were extremely pleased to host this prestigious event in Bourne and are very proud of the talent shown by our students in all of the arts subjects, being music, art and drama. The arts will always remain a very important part of our school curriculum and many of our students progress successfully in to arts related careers areas."

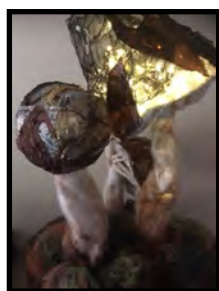

Memory Corina Avram Aged 16

This piece of work was developed in response to childhood memories and recurring nightmares. Looking at the work of Surrealist artists including Salvador Dali and Dorothy Tanning, Corina refined a realistic style of oil painting on a large scale. Montaging images from past and present Corina explored human psychology and memory.

Small Voice, Big Ideas Archie Hay, aged 16

The GCSE exam this year asked students to make a personal response to the word "Reflection". Students reacted in arrange of ways. This piece by Archie was a thoughtful investigation into youth culture and how they are reflected in the media. Archie produced a series of powerful screen prints which reflected the potential held by the individual and the importance to 'dream big'.

Fungi, Elara Kirtland aged 16

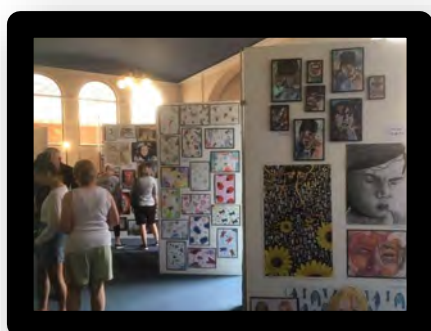

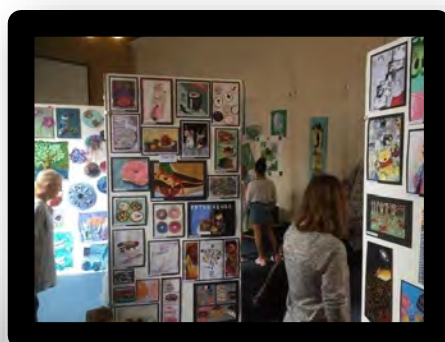

Elara has recently completed her GCSE Art Textiles qualification in which students learnt a range of skills including printing, weaving, construction and felting. In response to her *Natural Forms* assignment, Elara embarked on an in depth investigation into combining materials in order to create these woodland forms. As it illuminates with twinkling lights, she has managed to create a magical sculpture which will, no doubt create a stunning centre piece for the exhibition.

Vanity, by Gina Griffin aged 17

Responding to the title *Expedition*, Gina took humans' greatest expedition as her inspiration. Looking at and analysing the work of Dutch still life painters she looked at the way artists in history have depicted mortality and the fine line between life and death. Taking the skull as a symbol of the inevitability of death she juxtaposed beautiful colourful flowers as a reminder to celebrate the beauty of life. Combining materials she paints the skull with realism and utilises the bright vibrancy of inks to create a high contrast between the two.

Art Exhibition—Old Bourne Town Hall continued

Year 11 Prom—Greetham Valley Golf Course

On Wednesday 26 June the long awaited Year 11 Prom at Greetham Valley Golf Course finally arrived.

The Prom was attended by over 150 students who all looked amazing in their prom attire. It was like a scene from a Hollywood Movie with students arriving in all modes of transport such as a motorbike procession, a tractor, a lorry and a collection of fancy cars.

With drinks on arrival, sweet jars, hot buffet, ice creams, awards, lot of photos and plenty of dancing with great music from the DJ, the students and staff had a fabulous evening. Roll on next year!

Year 13 Prom – Toft Country House Hotel

Friday 28 June, a lovely sunny evening, the vast majority of our Year 13 students attended a final celebration of their time here at Bourne Academy. As always at Toft, the barbeque was excellent and many students took advantage of the weather by eating al fresco before taking to the dance floor, along with some of the staff!

Head Girl, Katie Coleman, made a lovely speech on behalf of Year 13 thanking everyone at Bourne Academy for their support in Sixth Form. A great time was had by all, with some sad farewells at the end of the evening.

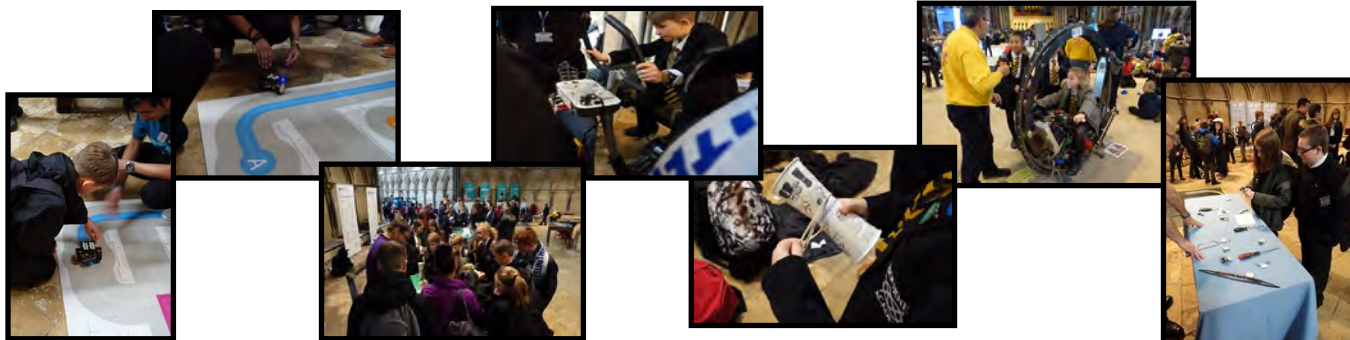

We look forward to seeing them all again to collect their results on 15 August and wish them all the best as they go out into the big wide world.

Spark Festival

Twelve of our Year 7 students visited the annual Lincoln Cathedral Spark Festival on 3 May 2019. The event offers primary and secondary schools the opportunity to raise local awareness of the importance of engineering past, present and future. It aims to inform and inspire future engineers and provide a forum for the Lincoln engineering community to collaborate and communicate.

This year the festival featured many hands on activities from local STEM employers and education partners. Amongst the featured activities this year, the event also hosted the Ice Bridge to Schools to promote interest in civil engineering as well as Tetrahedron and Eden Dome Challenges. There was also an opportunity to show students how engineering products are made in Lincoln and are used all over the world by so many different industries.

Broadway In Bourne

On Thursday 4 July, talented students from Bourne Academy performed their favourite musical songs at Bourne Town Hall.

The event, *Broadway in Bourne*, allowed students to showcase their musical theatre skills, in what was an evening of superb entertainment.

Bourne Academy's Performing Arts Department joined forces with Bourne Town Hall to raise money for the restoration project that is currently taking place. The evening raised a fantastic £350 and we hope that the collaboration with the venue will be the first of many more to come.

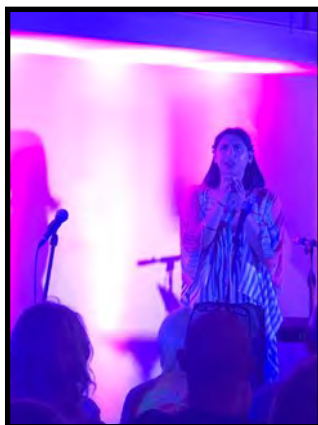

All of the students astounded the audience with their flair and charisma. Bourne Academy Choir, conducted by Miss O'Brien, opened the performance with an energetic version of *How Far I'll Go*, from *Moana* and closed the performance with a stunning rendition of *When I Grow Up* from *Matilda*. The audience were treated to a 'best bits' of the hit musical Hamilton, which the Year 10 BTEC Music group had been working on as part of their assessment.

There wasn't a dry eye in the house after Mia French performed *Never Enough*, from *The Greatest Showman* and the tears and goosebumps continued with performances by Jessica Shuttleworth, Caitlin Ward, Abbie Chappell, George Jones and Iqra Malik. Some first time solo performers took to the stage including Jose Menese, Lucas Barnatt and Tegan Wyche, all from Year 7, and Jessica Szyszka from Year 10, who performed her first ever solo. It was also lovely to be joined by some of our Year 11's, who showcased a musical theatre master class in Caitlin Roche's rendition of *I Could Have Danced all Night* from *My Fair Lady* and Elara Kirtland's spine tingling *Pretty Funny*.

The students and audience were also treated to a performance by ex-student Thomas Cooke, who has just graduated with a 1st in Musical Theatre. Tom's performance was breath-taking and he was a brilliant role model for the younger students.

Finally, the night would not have been the same without the creative lighting from Joseph Martin in Year 11 and the professional comparing of Keiran Reid in Year 13, whose wit had entertained the audience throughout.

Mrs Parker said 'This was a brilliant event and it was lovely to showcase the creativity of our students within the local community. We hope that this was the first of many more collaborative ventures to come.'

Out and about with the Geography Department!

It's been a busy final term for the Geography department, with important fieldtrips for year 9 and 10, as well as a field week away for our A Level Geographers.

13 & 14 June – Year 10 coastal fieldwork in Hunstanton

On what were possibly the two worst June days for weather, year 10 GCSE students travelled to Hunstanton to collect data for their physical Geography enquiry. The weather forecast predicted high winds and heavy rain, and that's exactly what it gave us!

Despite the terrible conditions however, students worked extremely hard collecting data which they will use in their final exam in year 11. They carried out measurements of sediment size, beach gradient and height of sediment built up against groynes, all to determine whether or not there are significant differences between Old and New Hunstanton.

Their hard work was rewarded with a warming fish and chip lunch in one of the few cafes open that day, which was appreciated by staff as well as students! Well done year 10 for your perseverance through difficult weather conditions – you were fantastic!

27 & 28 June – Year 9 rivers fieldwork at the West Glen River

As an introduction to GCSE fieldwork and to support their rivers topic work in class, students undertook a field work investigation at the West Glen River. Here, they looked at two sections of the river's course – one in Swinstead, and the other further downstream in Carlby.

Thankfully the weather was much kinder to us over the two days, with suncream rather than rain coats required! Students were investigating how the river's characteristics changed as it moved downstream. They collected data on the river's width and depth, channel gradient, sediment size and velocity.

Some pupils were very eager to get their wellies on and wade into the river, whilst others preferred to support from the banks! Once again, students represented Bourne Academy very well and completed work to a high standard, ready to present and analyse back in the classroom.

8-12 July – Year 12 A Level field week in the North York Moors

At the time of writing, A Level Geographers are preparing for their 5 day field trip to North Yorkshire and the Holderness coastline. They'll be using the week to collect data for their individual coursework investigations which contribute to 20% of their overall grade. This year, there are a variety of interesting enquiries including coastal defences and landforms, urban studies in Whitby & Goathland, river & scree investigations, sand dune studies and impacts of deforestation. Look out for a full write up in the next edition!

Year 10 Visit to McDonalds in Bourne

On 28 June the Food Preparation and Nutrition group had the opportunity to visit McDonalds restaurant for lunch, a talk from the manager about the company and his job role, then a tour around the site.

The students learnt a lot about health and safety, hygiene regulations and the environmental issues McDonalds adhere to. The visit was informative and a good way to see theory put into practice. The photos show a happy set of students.

Drama Club perform The Witches by Roald Dahl

The Year 7 and 8 Drama Club had an outing to Bourne Abbey Primary School showcasing their new performance of The Witches by Roald Dahl. The story is about a young boy who, after hearing a tale from his Grandmother, encounters the World of Witches. As the story continues, he teams up with another boy, Bruno, who makes it their mission to rid the world of witches and get rid of the Grand High Witch by turning her into a mouse.

Among this wonderful cast, were a few stand out performances, which deserve a special mention. Lola Rainbow approached the performance with confidence and flare showing her diversity as a performer by taking on the role of multiple characters with ease. Graycie Mae Wilson commanded the stage and showed a very mature performance well beyond her young years. Caitlin Revell is the prime example that some of the best gifts come in small packages. Her performance as the Grand High Witch was bold and engaging and showed a side to Caitlin that nobody would want to mess with.

Holly Rutherford was an exceptional addition to the cast showing her bubbly, cheeky personality through the character of Bruno. Just don't get in the way of Bruno and her doughnuts. Tegan Wyche approached all rehearsals and the final performance with focus, discipline and demonstrated fantastic creativity.

The cast members were fantastic ambassadors for the school showing professionalism and clearly displaying the abundance of talent our students have to offer. We also took a number of our older students to help out in a workshop with the year 4 classes. Bo Baricz Hughes, Caitlin Roche and Joseph Martin were superb, leading a workshop and represented the Performing Arts Department exceptionally well.

We cannot wait to see what the Drama Club has in store for us next year.

Lincolnshire Free Press and Spalding Guardian Awards

On Thursday 4 July, representatives from Bourne Academy attended the Lincolnshire Free Press and Spalding Guardian Awards.

Congratulations and well done to Tom Paskin who was runner up for the Best Student and to Mrs F Martin who was runner up in the Most Outstanding Secondary School Teacher.

Bourne Academy was a Finalist for Secondary School of the Year and came in as runner up. Mrs Conley said, "We were happy to be put forward and recognised as a finalist. Thank you to everyone for their hard work allowing us to get that far with the nomination in what was a year where all categories were crammed with a high standard of nominations"

Talented Year 9 student has another music hit!!!

Talented Iqra Malik has gone from strength to strength in her musical journey, not only has it been a successful year for Iqra in school, with her stunning portrayal of *Principle Mullins* in *School of Rock* and her band *Next Gen* being crowned runners up in this year's *Battle of the Band*, but Iqra has also recorded another hit single.

Iqra (Aka Mali Faraz) got the inspiration for her new single 'You Get What You Pay For' from the issue of bullying. 'I got bullied in primary school and I didn't fight back, the song is a message to the bullies and will hopefully be an inspiration to victims of bullying.'

You can download 'You Get What You Pay For' by Mali Faraz from: Apple Music, iTunes, Spotify, Amazon Music, Google Play and YouTube.

Bands Perform at the 2019 Bourne Festival

On Thursday 6 June 2019 at the 17th Annual Bourne Festival, run by the Bourne and District Round Table, a variety of bands from local schools performed at the first ever Thursday night for the festival. Each band got the chance to take to the stage on the Wellhead and play a short set complete with professional sound and lighting.

Some of the bands that performed included Year 9 duo Caitlin and Chloe, Year 11 band 'Sample Text' and Year 12 band 'Lord of the Good Sea Otters'. The students involved put on a great show and the event was very well supported, with the tent being near capacity.

The organisers were very impressed with the talent of the students even saying that some were deserving of their own festival slot.

Visiting Artist— Lydia Jackson

On Monday 15 July, the Art Department welcomed former student Lydia Jackson to school to speak to current students about her work. Lydia has just graduated from Nottingham Trent University in Fashion Design and recently taken part in the Graduate Fashion week in London.

Not only does she design flamboyant and colourful Catwalk clothes she has also designed the beautiful fabrics inspired by her visit to Asia, having won a scholarship to Hong Kong in 2018.

Lydia has visited the school on several occasions and wants to help inspire the next generation of designers and artists to emerge from Bourne Academy.

Mrs Lawson said "It was wonderful to welcome back one of our Alumni and thank you to Lydia who we hope have inspired some of our students to believe in themselves and create their own designs whether it be in textiles, pottery or on paper"

Boulogne Trip 2019

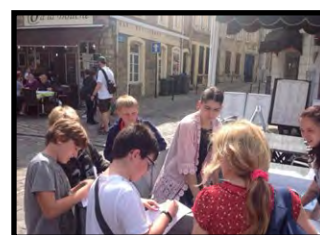

Eighty excited Year 7 students left Bourne Academy in the early hours of Friday 12 July to begin the adventure to Boulogne. With very little sleep and a high sugar intake, many students fought the urge to sleep until the early hours of the morning!

The weary travellers took the opportunity to recharge their batteries in Calais at the Café de Paris consuming a typical French breakfast consisting of croissants, tartines and chocolat chaud. "Miam, miam!" Most students used their knowledge of French to ask for "un autre croissant" or "où sont les toilettes, s'il vous plaît".

On arrival in sunny Boulogne, we explored the beautiful town, asking passers-by for directions. We were thrilled to watch our students interviewing the locals about their interests. After enjoying "un croque-monsieur et frites" in a typical French café, we headed to the snail farm.

There, the students successfully interpreted the talk on the cultivation of snails then some took the courage to taste the three different recipes which were offered- "goats cheese and paprika, feta cheese and tomato and not forgetting of course the traditional butter, garlic and parsley escargots " Quel délice!".

Before returning to Calais, there was still the opportunity to do some final shopping at Cité Europe. The journey back was understandably a quieter one!

It goes without saying that Bourne Academy students were exceptionally well behaved and it was a pleasure to see them absorb the French atmosphere practising their French.

SlamJam 2019

Taking on such an interesting and prestigious event was no easy challenge. However it was one to which I rose to thanks to the four fantastically talented students who blew me away with their commitment, talent and passion.

For those of you who do not know, Slam Jam is a spoken word competition which spans over Lincolnshire in which students can talk about whatever they like. There are only three rules; no scripts; no props; three minutes.

For Poppy, Abbie, Victoria and Maria, they aced the heats over in Lincoln, blowing everyone away with tales of heroines, autism and what is wrong with society. As a result they all made it to the final. Although they did not win in the final, all of them performed their pieces beautifully and moved the audience to laughter, tears and even deep thought. Many conquered fears of being on the stage and all of them became close friends, not only with each other but the other competitors as well.

The students loved the event and represented Bourne Academy fearlessly. A copy of their poems has been published as an anthology and will be put into the school library. I do believe that these students have shown us what it is like to be living in 2019 and the difficulties they face, and I do truly believe they have the power to change the word. Politicians, governments and adults alike, would do well to listen to what they have to say! Account by Mr Baines, English Teacher.

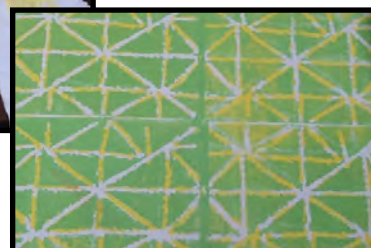

Year 10 Art Students visit Bourne Westfield Primary Academy

17 of our Year 10 Art students and Mrs Lawson headed over to Bourne Westfield Primary Academy to work with the students in Year 4 and create some African Art inspired textiles and prints. They were also joined by students from Charnwood Primary School in Leicester who also took part and created work.

The workshop involved poly printing and lots and lots of ink! The Year 10 art students gained valuable work experience in helping and aiding the younger ones to carefully make their prints and use the equipment, applying the ink and lining up to print.

Bourne Westfield School holds an Arts Week every July and this is the fifth Year we have been involved in working with the students there. Mrs Lawson said "It is a great privilege to do so. This year it was fabulous to be joined by such talented and exemplary students from our school, who were able to help limit the chaos of inking up all the polystyrene and printing all the images."

The Keeper of the Books

Well done to all our students in Key Stage 3 who have quizzed enthusiastically on the books they have read. It is really great to see so many students recommending books to others and sharing their joy of reading.

There are lots of exciting new books in the pipeline for the next academic year. With new challenges and competitions to look forward to.

Have a fabulous summer!

Voice

JLT Update

The JLT is the 'Junior Leadership Team' in Bourne Academy. These students applied for the position of JLT and are the active force in making changes through Student Voice. The groups encourage students to have leadership roles and it gives them the responsibility to make positive changes within the school for a happier and safer environment for all our students.

Term 6—A Big Thank You

Led by Miss Wetherill and assisted by **Head Girl** Katie Coleman, **Deputy Head Girl** Bronia Davidson, **Head Boy** Connor Farrell and **Deputy Head Boy** Jack Lewis.

The Academy Council and the JLT have done some fantastic work this year in helping improve both the teaching and learning and the school environment here at Bourne Academy. We look forward to next year where we will be able to welcome some new members from our upcoming year 7's who will be able to get involved and contribute some more fantastic ideas.

Our big project this year has been recycling and we are happy to announce that recycling bins are now actively being used on both the year 7 and 8 yards. We hope to develop this more throughout the school over the next academic year with the help of PSHE days and the SMSC curriculum. Additionally our final task this year was to review what students within the school thought needed to be improved to enhance their learning experience and time here at Bourne Academy. We have had lots of feedback and our first job in September will be looking to see what can realistically be achieved with the help of our newly appointed head students and Mrs Conley.

Bourne Academy Challenge

As in previous years, our Year 7 and 8 students rose to the Summer BAC admirably, completing a wide range of homework challenges in a creative and imaginative way. Their brief was to respond to project-style homework tasks of their choosing, and the judges (members of the Senior Leadership Team) had real difficulty in choosing winners from the impressive range of entries that were submitted. Congratulations go to all of the entries, but in particular to the winners and highly commended students in each subject. The results are as follows:

Year 7 Starter Challenges

In Drama - Fairytale write an 'Alternative Fairytale' and present it in a storybook.

In Art— House Banner/Flag design a flag or banner that could be used to represent and support their house.

In Music—Compose a song about why Music and Drama are important subjects.

Top 10 Year 7 Finalists

Drama

Niamh Fowler, Tegan Wyche, Trinity Allman, Kayleigh Clare, Lucy Beaton, Zion Serino— Jordan, Lilly Tappern, Catrinel Acasandri, Jess Ellis, Georgia Smith

Music

Millie Hughes, Alex Walton, Ted Ash, Josh Lindley, Lola Rainbow, Jothan Parker

Art

Jasmine Barker, Harrison Pettit, Harry Sutherland, Isobelle Hobson, Sophia Nunziata, Lara Cottom, Sophie Wells, Grace Wilson, Florence Allen, Caiden Peachner

Year 12 Work Placements

Everyone in Year 12 is expected to take part in some form of work placement, which is the chance to explore potential career options or to build the skill set needed for future goals. Work placement took place 1-5 July, proving to be a really positive experience. Some students have written their accounts of how they got on:

I thoroughly enjoyed going back to my secondary school, Casterton College Rutland, to do a week's work experience. I observed lessons, co-planned with the teachers and was able to teach my own lesson to a range of year groups, ranging from Years 7 to 10. I worked in many departments, such as English, Geography and Drama. As I aspire to be an English teacher in the future, it was very beneficial to learn the skills needed and to get a feel of what it will be like to work in a classroom. I observed a poem being taught to the Year 7's, 'A hunchback in the park' and they then fed back to me the story behind it. Their task was then to write a dramatic monologue. We planned together some ideas that they could use, including what it would be like to be a homeless person and the feelings that you would experience. The class then wrote their dramatic monologue for 20 minutes and I listened to a few at the end. Having the responsibility to plan this lesson and stand in front of the students was a great experience and has definitely made my mind up that it is for sure the career that I want to have in the future. Lauren Herman

I enjoyed work experience because I learned new skills such as being more confident with new people. Even though I already have a job, there were skills I could build on and improve through work experience, such as using my own initiative in order to complete tasks and only asking for help if I really need it. Using my own initiative helped me to feel proud when completing a task as I knew I had done it myself without help. Furthermore, work experience was a positive thing to do as it helped me get a taste of what life will be like when I leave school and if what I did my work experience in is something I could see myself doing in the future. Overall I am glad I did work experience as it is something everyone can learn from, even if you already have a job there is something new you can learn on work experience. Even if you think you won't enjoy it, it's a positive experience if you make it one. Emily King

For my work experience I took part in cooperating with a team that works for the company Bridgestone Tyres. Although I wanted to work doing graphic design the IT department was able to provide me with work that was suitable for my wishes of work style. Throughout the whole week I was set a project that I worked toward to get a final finished job, this was to create a plan design of the maintenance building and storage space. This project required skills in suitable architecture that is made for a building and graphics that allow me to manipulate and create a realistic style. This plan design will then be used for the future in the company as they can refer to it for use and design. Throughout this week I learnt how to get on with a project without the need of reassurance or guidance to complete it, I also learnt how to manage multiple tasks through the week while getting on with the project that was set for me. Through completing this experience, I have learned a new software used to creating buildings and designs with precise measurements from scratch. I also learnt how to work with a team of co-workers that I have never met and how to feel comfortable in a new environment by adapting to its routine and structure. Owen Cox

For my work experience placement, I decided that it would be a great opportunity to volunteer for Revitalise at the Jubilee Lodge in Essex. During the week I stayed over at the centre in my own accommodation with one goal, to ensure that the guests enjoy their holiday over at the centre. At the start of the week I was assigned with taking the orders of volunteers and guests in the morning for breakfast, making sure to get their order correct the first time around. After breakfast the volunteers set out the tables for the next meal such as lunch or dinner, if you were not assigned a trip this would most likely be the most physically straining activity for the day. Every day a couple of guests go on trips to different locations such as Southbank, South End or even sailing with the volunteers. I had the experience to go to Southbank which resulted in a great day out and a nasty sunburn. For lunch if you were out on a trip you would get packed lunch or if you were at the centre that day you would have the option between a toasty, panini or omelette. After dinner there would be entertainment every night apart from Monday, this usually consisted of a singer coming in or a karaoke night or if the guests didn't want to participate in the entertainment they could play board games or cards with the volunteers. From my week at Revitalise I have learnt how important patience is when it comes to people and how to act and do tasks on my own without anyone telling me directly what needs to be done, which happened to be the hardest thing on the first day. Overall I enjoyed my stay at Revitalise and loved interacting with the guests especially those that had amazing stories to tell over dinner or lunch and I'm planning to volunteer again. Titas Stonkus

MFL Department

The following students have been recognised by their MFL teacher as being "Students of the Term." **Congratulations!!!**

Year 7 –

Alex Walton, Evie Burgwine-Jones, Jai Manzur, Emly Wadkin, Liiy Cappitt, George Jones, Kiera Miller, Roman Lower, Ciara Maloney, Finley Channing, Edith Revell, Owen Andrew and Sophia Ives.

Year 8 –

Katie Burley, Cameron Rosam-Goodwin, Archie Hartley-Brown, Grace Aldred, Erin Arden, Benjamin Britchford-Lee, Dylan White-Morris, Poppy-Jo Waltham, Lena Mairs, Sophia Fry, Erin Grainger and Katarzyna Luczkiw.

Year 9 –

Chloe Ketteringham, Phoebe Penney, Leona Fenwick, Grace Lawday, Angelika Manzon, sophie Hodnett and Jack Lee.

Year 10 –

Noami Thompson and Asia Allen.

Year 12 –

Lauren Baldwin

It has been another fantastic year for languages and on behalf of the department, we would like to wish you all ...

Bonnes Vacances!

or

¡Buenas vacaciones!

MEMRISE

Key Information:

Assessments

The year 7 French speaking assessments

Year 7 speaking assessments took place just before May half term following the format of the new GCSE assessment. All students turned up on time and were very successful. Well done Year 7!

The year 10 Spanish

Year 10 students successfully completed their PPE 1 and completed their speaking assessment in the final week of term. Well done year 10!

Enrichment program

The Boulogne trip was once again a success whereby we took 80 year 7 French students to explore the beautiful town! The trip has proven to be a worthwhile and memorable experience. We hope to run the trip again in 2 years time.

Bravo à tous les étudiants!

County Athletics

The following students were selected to represent South Lincolnshire's Superzone at the Lincolnshire County Athletics Championships on Wednesday 5 June.

The students all performed extremely well & produced some outstanding performances & personal bests.

Veronica Gillick	5 th in 100m & 1 st in Relay	Danielle Pusey	1 st in Javelin & Hammer
Grace Tidman	2 nd in Sprint Hurdles & Long Jump	Arron Pike	3 rd in 800m
Tilly Szarawarski	1 st in Shot & 7 th Discus	Tia Lees	6 th in 800m
Ella Last	7 th in Sprint Hurdles & 1 st in Relay	Mathias Donaldson-Reid	4 th in Triple Jump
Natasha Liquorish	4 th in 200m	Angelika Manzoni	3 rd in Javelin
Alfie Woodward	7 th in Triple Jump	Donovan Capes	1 st in Shot & Discus
Josh Latter	7 th in Javelin	Joe Revell	6 th in 100m & 4 th Relay
George Frost	3 rd in Long Jump, 4 th 800m & 2 nd in the relay		

Well done to all competitors. Special praise must go to the following who are the 2019 County Champions:

Donovan Capes
Junior Boys
Shot & Discus

Danielle Pusey
Inter Girls
Javelin & Hammer

Tilly Szarawarski
Inter girls
Shot

Donovan also qualified for the National Schools Finals in Birmingham. An outstanding achievement, well done! See Page 28 for details on how he did.

Tennis

Seven doubles teams took part in the Superzone tournament on Thursday 4 July at Boston Tennis club. They all played extremely well and in the true spirit of the game.

For some of the players it was their first official tournament and they learnt the scoring system and the tactics of doubles play, as well as having the opportunity to play on top quality courts. For the more experienced players it was a chance to develop their skills, and an opportunity to play against high level competition. Well done to all players! The final results:

U13 Team

Noah Dexter and Ben Conrathe	5th
Harry Sutherland and Joack Boughen	6th
Oliver Hughes and Josh Hunt	7th
Jess Ellis and Edith Richards	5th

U15 Team

Ella Last and Vika Kriaucinaite	6th
Naomi Thompson and Juliana Moitinho	7th
Sam Oke and Jacob Wood	3rd

Rounders

Year 10

Year 10 have had two matches and their annual superzone tournament this term. The matches were very exciting, particularly against Deeping which we won 7-6.5, a really close game. Thanks to a big score from Abbie chappell – 3.5 rounders- we just clinched it, well done Abbie! Abbie was also awarded player of the match.

We unfortunately lost our second game which was away to Spalding High School. Their batting was outstanding, and although we fielded the ball well, we ultimately lost by 4 rounders. Well done to Megan Handley who was awarded player of the match for her outstanding work on 1st post.

Lastly, year 10 played in the annual superzone tournament and finished runners-up, well done girls! The team beat Spalding Academy 6-2.5 rounders, with player of the match going to Grace Tidman for her outstanding catch. They then lost to Spalding High A team by 3 rounders, 6-9. The player of the match for this game was Vicky Oliver for her consistent and hard bowling, well done Vicky! The last match was against Spalding High B team which we won 6-3.5. Ella Last was awarded player of the match for her hitting and fielding, well done Ella!

Year 10 team

Rose Taylor-Jackson, Courtney Woodfine, Vika Kriauciunaite, Ella Last, Grace Tidman, Dani Pusey, Evie Barford, Vicky Oliver, Neave Beardsmore.

Year 9

The Year 9 squad have had a busy term, competing in two tournaments as well as friendlies against Deeping and Spalding High School. We have been really impressed with the number of Year 9 students who have been involved in both practice sessions as well as matches because this has given them the best opportunity to field strong teams.

Their fielding has been the strongest element of their gameplay with consistent bowling from Neave Warcup and superb catches by both shallow and deep fielders, Amelia Ellis supporting many of these. We must also comment on Angelika Manzon's unbelievable ability to field any ball! She was able to get the ball quickly back onto the pitch and stop opposing batters from scoring full rounders. This was particularly noticeable in the final match of the Superzone rounders tournament against Spalding High, where the final score remained 7 ½ rounders to 7 in Spalding's favour. However, the score could have been much higher if it was not for the fantastic fielding of the team, this meant that the team finished 2nd in the Superzone. Well done girls, we are looking forward to your games in Year 10.

Year 8

The Year 8 team have been kept busy this half term with three friendlies and two tournaments.

Over the season the squad has got progressively better with more rounders being scored and more effective fielding which has helped secure 4 wins. Playing positions are still being tweaked to work out the best combination but all players have shown great flexibility and willingness to do what's best for the team.

Special mention goes to the following who have all been awarded player of the match; Jess Glover for tactical play and reactions on 1st/2nd post, Jasmine Lane for back stop, Ellie Benson for her solid work in the field, Dolly Manzon for stepping in as bowler and Millie Elson for her hitting.

Rounders

Year 7

The Year 7 rounders squad have played very well throughout the season developing their skills and tactical knowledge.

The rain in the first half of the season meant many games were cancelled early on. They have played 6 games all season, winning 3 and losing 3. However, in their Superzone tournament on Monday 1 July, they played beyond expectations and beat teams they had lost to earlier in the season. They were eventual joint winners of the tournament with teams achieving the same amount of points. On count back, they were eventual Runners-Up on players out.

Well done to all girls but special mention goes to Zara Johnson at 1st Post, who received 4 player of the matches during the season. Lizzie Hoyle, Sofia Nunziata & Evie Burgwine-Jones also received one each.

Well done the squad. Grace Wilson (Captain), Evie Burgwine-Jones, Catrinel Acasandi, Edith Richards, Zara Johnson, Lizzie Hoyle, Jazzy Bubbra, Reese Miller, Ellie Horsted, Poppy Chambers, Daisy Hay, Sofia Nunziata, Tia Lees, Cleo King, Jess Ellis, Charlotte Smith

Dance Show

Spalding Academy held their annual Sparkle & Shine Dance show in June. This year, for the first time, Bourne Academy students also took part in the show.

The Year 7 and 8 Dancers have given up their time endlessly to practice and rehearse all the dances for the show. The shows on Thursday 20 and Friday 21 June were fantastic and all the girls performed extremely well. The collaboration of both schools has been wonderful to see and thanks must go to Miss Ringrose, for her dedication and commitment.

The dancers thoroughly enjoyed themselves and made new friends at Spalding Academy. Well done to all dancers!

Year 7: Lola Rainbow, Holly Rutherford, Georgia Smith, Bethannie Cummings

Year 8: Jess Glover, Ceri Thomas, Ellie Benson, Bronwyn Roche

Morton Primary School Golf Day – Sports Leaders

The Year 10 Sports Leaders have led numerous events in the last few months, all working towards their final assessment for the course. The final event was the Primary School Golf day at Morton Primary School.

There were 5 schools, 135 children and just 14 leaders. They did a great job running the day, setting the event up, organising the children and helping them on the various carousel of activities throughout the day. The primary school teachers were extremely complimentary about our leaders, saying what a great job they had done and how they helped inspire the children to want to take part.

The student's leadership skills and qualities have flourished over the year and they have all done themselves and the school very proud. Well done to them all on what has been a very successful year. A final thank you to Darren Game, who has helped throughout the year with the course and training our leaders how to run the SNAG golf sessions.

Story of the Term

Sports Day 2019

The 2/3000m competitions took place on Friday 21 June, prior to the Annual Sports Day at Boston on 26 June. There was a record number of competitors this year, all adding points to their house totals. Well done to everyone for entering and particular congratulations to all winners.

The Annual Sports Day took place at Boston stadium on Wednesday 26 June where competitors from all six houses took part and there were four records broken on the day.

There were some outstanding performances by Donovan Capes, Danielle Pusey, Grace Tidman and George Frost to name but a few. All competitors conducted themselves in an excellent manner throughout the day with a definite air of House competitiveness. Donovan broke both the Shot and the Discus records. He broke the shot record by a whopping 3.44metres, a record held since 1988. He broke the Discus record by 4.4metres. Danielle Pusey also broke the Javelin record by a huge 5.5metres.

Well done to all competitors with a special mention to Mays House, who were this year's overall 2019 champions. Well done again Mr Leonard and all the green house competitors. The winners were:

	Year 7		Year 8		Year 9		Year 10

Sports Day in Pictures

Superzone Athletics Championships

The winners from Sports Day were selected to represent the school at the Annual Superzone Athletics Championships held at Boston stadium on Tuesday 2 July. The students all performed extremely well and achieved some outstanding results. There are 16 new Superzone champions with Donovan Capes breaking the Shot Putt record by 3m. Special mention also goes to Grace Tidman with the best overall performance winning the 800m, 2nd in Hurdles, High Jump with a new Personal Best of 1m 55 and the relay.

Henry Moxley - 200m (Yr7)

Arron Pike - 800m (Yr10)

Amye Halliday - Shot (Yr8)

Grace Tidman - 800m (Yr10)

George Frost - 800m (Yr8)

Edward Linsdell - 1500m (Yr8)

Tia Lees - 800m (Yr7)

Ceri Thomas - Discus (Yr8)

Danielle Pusey - Javelin (Yr10)

Donovan Capes - Shot (new record) (Yr9)

Jess Symak - High Jump (Yr9)

Ella Last - Hurdles, 300m (Yr9)

Courtney Woodfine - High Jump (Yr9)

Boys	3 rd	3 rd	2 nd	3 rd
Girls	5 th	3 rd	2 nd	3 rd

Cricket

Year 7

Year 7 played Casterton in the last week of term and their commitment to training, was very evident in all parts of their game. We amassed 79 runs after being 19 / 4 at one stage. Joe Watson batted extremely well. In reply we had Casterton 21/6 at one stage and in the end, bowled them out for 45. Therefore, a comprehensive win of 34 runs, to finish the year. Well done to all players and good luck for next season.

Year 8:

Year 8 played Deeping and Stamford Welland in the last week of term. Losing to Deeping 86 runs to 73 runs. Mason Bussey and Henry Lawson both batted extremely well in both games and Freddie Brooks and Jesse Copley at Bowler, played extremely well.

Our final game against Stamford Welland did not go quite to plan with the most wides this team has ever bowled and this really hampered our plan. Henry Lawson bowled beautifully again, picking up 3 wickets. What a player this young man has the potential to be! Jesse Copley and Noah Dexter were the other 2 stand out bowlers. Unfortunately, chasing 102 in 16 overs is always going to be a tough ask and finishing on 60, was about right. Good season gentlemen and best of luck next year.

English Schools Champion—Donovan Capes

In the Alexander Stadium in Birmingham on 13 and 14 July 2019 Donovan Capes became the English Schools Champion in the Shot.

He won with 14.94m, second place was 14.28m and third 14.27m. No other throwers threw further than any of his throws so he won it on the first throw. Donovan's father, Lewis Capes thanked all those that have supported Donovan at Bourne Academy.

Mrs Ged Coles, Director of Sport said "A huge congratulations to Donovan who is always very unassuming and quiet about his achievements."

Sports Personalities 2019

At the end of each academic year, the PE Department congratulate all their sporting stars for the years hard work, in the annual Sports Awards assemblies.

The award for *Progress* goes to all students who have made outstanding progress throughout the year.

The *Representative Honours* goes to all students who have taken part in 75% or more of matches in each individual sport.

The *Outstanding Contribution* award goes to students who perform in a wide variety of teams throughout the year, displaying outstanding commitment.

Finally, we award a *Sports Personality* trophy to one male and one female student in each year group.

The Winners for 2019 are listed (right) congratulations to all our winners.

Golf—by Emily Horsted

On Friday 11 July, Mr Bamber and I went to Toft Golf Course to play in a school's competition. I played in a four ball with two students from the Bourne Grammar school and a student from St George's School in Sleaford. I scored 38 points for 18 holes but Mr Bamber did not score that many. My front nine holes were not that good, as I shot 12 over par gross and as I play off of a 15 handicap, shooting 12 over on the front nine, is not brilliant. However, on the back nine I shot level par as I had two bogeys, two birdies and the rest I scored par on. Overall, I shot 12 over par gross and with 38 points I won the competition overall.

As well as this, my sister and I have been selected to play in a women's British open competition called the "golf sixes". This is a pairs competition selected from across the country and only 48 people have been selected. My handicap at the moment is 15, but by the end of the year I am aiming for a 10. My sister, Ellie Mae is playing off a 26 handicap.

Other recent competitions, include the Aimes bowl which is a mixed pairs competition at Peterborough Milton golf club where I am a member. I won this competition with 48 points and therefore will go to the presentation evening and my name will go on the club board. Me and Ellie Mae also won a family foresomes competition called the "Guy Hassall" competition, which again is a boarded competition. We won this competition with 43 points.

School Information

Attendance

The South Lincolnshire Academies Trust is continuing to promote good attendance over both of the schools within the Trust and the majority of our students continue to reap the benefits of being in school, both academically and socially.

Lincolnshire County Council have issued new guidelines for 2019/2020 with the effect that Fixed Penalty Fines for persistent absence (below 90% attendance without medical evidence) and holidays in term time will be requested. Please bear in mind that your child/children's welfare and education is at the centre of everything we do - a child who is not in school is far less likely to succeed. We have therefore taken the decision that we will not authorise holidays in term time. Children are expected to be in school for 190 days a year, leaving 175 days for everything else.

As a safeguarding measure, on the morning of any absence, please remember to call 01778 422365 (option 1) or text 07860 095499 before 8.30am.

Please do not hesitate to get in touch with our Attendance Manager or your child/children's Year Lead if you have any concerns regarding their attendance.

First Aid Room at Bourne Academy—Update Request

Please remember to keep us updated with any change to your child's medical conditions to ensure our records are up to date, allowing us to give your child the best possible care. Ensuring that you keep your contact details up to date enables us to contact you sooner if your child is unwell. Please inform us when you have a change in circumstance.

We have recently sent out consent forms to allow us to administer Paracetamol or Ibuprofen for minor ailments, if you have not already done so please return these to the office.

We have purchased emergency Adrenalin kits and Salbutamol inhalers within the school which may be used in an emergency for students identified with severe allergies or Asthma whereby parental consent has been given. If you have been sent a consent letter please ensure to return this to the office. Additionally if you feel you should have received one of these for a newly diagnosed condition that we may be unaware of please contact the First Aid Room.

We are always happy to take calls if you would like to update us on anything regarding the students.

Attendance

The Trust's attendance policy allows us to streamline the work that we do and helps us in supporting those that need further assistance.

How to Report

Student absence should be reported on each morning of any absence by 8.30am. There are a number of ways of doing this:

- ♦ Calling the main school number and leaving a message (01778 422365 - option 1)
- ♦ Texting in 07860 095 499 (please be aware that, as with all mobiles, if the mobile system is down we may not receive these and you may receive an absence message)
- ♦ Email (office@bourneacademy.org)
- ♦ Notes in planners (as long as your child remembers to show it to the office)
- ♦ Letters re appointments (please send in copies of hospital/dental/orthodontic/doctor appointments for pre authorisation) Please bear in mind that as per the Academy's Attendance Policy, no appointments are authorised without medical evidence

Please note:

- ♦ Any absences not notified to the Academy that school day will be coded 'O – unauthorised absence' and will not be amended retrospectively.
- ♦ In support of student attendance, the school operates a monitor period after any absence of 4.5 days or more. Parents/carers will be notified of the start of this period by letter. Any further absence during this time could result in a Governor Panel meeting.
- ♦ Parents/carers will no longer be written to asking for reasons for previous absences.

House News

GALILEO:

Head of House: Miss Fox

House Captains: Louix Symak-Cotton, Benedict Toulson, Madelaine Sharp

Charity Captains: Gaby Ndlovu, Madi Willoughby, George Jones, Estelle Kenyon, Nyssa Barrell, Madison Jones, Ruby Tordoff, Jacob Davidson, Abbe Burton, Thomas Anica, Gracie Eyett, Rhiannon Hall, Izzy Gurry

Chosen Local Charity: Exotic Pet Refuge

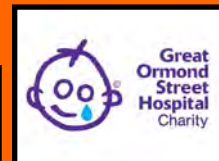

Chosen National Charity: Great Ormond Street Hospital

Recent Achievements: Well done to all that competed in Sports Day!

Head of House Message: Thank you all for being such a wonderful House to lead. I will miss you all, goodbye and good luck.

Best Wishes

Miss Fox

HEREWARD:

Head of House: Mrs Lawson

House Captains: Jernima Gervis, Luca Strofollino, Ed Saberton Ward, Tom McQueen, Lucy Abbey

Charity Captains: Miya Manzur, Lewis Jackson

Chosen Local Charity: Sue Ryder Hospice

Chosen National Charity: Guide Dogs

Recent Achievements: Wow, what a term it's been. This summer we have had our best results ever at Sports Day. I and the team have been overwhelmed by the spirit and determination of the students who participated in the Sports Day events. We came second but boy does it feel like Hereward House won, our highest placing since the beginning of the house system at Bourne Academy. Our Charity Days raised over £235 for Guide Dogs for the Blind and Hereward House students raised £400 overall for charity this year. Thank you to everyone that took part.

Head of House Message: Reward and Celebration are the two key words for the end of this academic year. The students have been rewarded for their achievements and can celebrate after another successful academic year.

Hereward students have been competing in the inter-house rounders competition this week and will be entertained by their peers in the end of year show on Friday. Fingers crossed that we will retain the House trophy when the final points are added up on Thursday. Have a fabulous Summer everyone and see you in September.

Best Wishes Mrs Lawson

KELLER:

Head of House: Mrs Worrall

House Captains: Morgan Brooks, Amber Creasey, Ethan Curtis, Jamie Mills, Ella Last, George Frost

Charity Captains: Stefania Oleksiewicz, Keira Foster, Ella Fairbanks

Chosen Local Charity: Rainbow Schools

Chosen National Charity: Mind

Recent Achievements: Another amazing term for Keller House in which we have enjoyed Sports Day and the Year 11 and Sixth Form Proms as well as welcoming the new year seven students on their taster day. We have had Celebration Evening and our own Celebration Assembly to reward our fabulous students which just leaves the end of term video to enjoy! It was an absolute pleasure to take our Keller students to Sports Day and see you all work as a team together. A special mention must go to our Year Captains who were fantastic at organising their year groups. A big well done goes to years 8 and 10 who managed brilliant wins, but I couldn't be prouder of all year groups for taking part and showing the true Keller spirit- well done!

Head of House Message: This is my last term as Head of Keller House and I couldn't feel prouder of the amazing students and tutors I've had the pleasure of working with this year. I am delighted with everyone's attitude and efforts from the charity events to the House Council meetings. I wish you all a fantastic summer holiday and all the best for next year.

Remember... you've got this!

Best Wishes Mrs Worrall

House News

MAYS:

Head of House: Mr Leonard

House Captains: Katie Colman, Rhys Holmes/Tilly Szarawarski

Charity Captain: Samantha Cropley

Chosen Local Charity: Little Miracles

Chosen National Charity: The UK Sepsis Trust

Recent Achievements: Well done and so proud of everyone who took part at Sports Day, we were crowned Champions for the 4th year in a row!!!

Head of House Message: Thank you to all Green House staff for their hard work and support this year. Very proud of all the students for what has been another fantastic year!!!

Best Wishes Mr Leonard

TURNER

Head of House: Mr Bamber

House Captains: Austin Porter, Lauren Anderson, Archie Wafaa, Sophie Hodnett, Lilly Tappern, Catrinel Acasandri, Emily Wells, Gabija Barstyle, Kayleigh East, Charlie Brooks, Tom Poynter, Jordan Hughes

Charity Captain: Alek Siwec, Florence Little, Abbie Chappell, Harrison Graham Lane, Danny Petherwick

Chosen Local Charity: Alzheimer's Society Peterborough

Chosen National Charity: Breast Cancer Now

Head of House Message: Over the past 2 and half years it has been a real pleasure to lead Turner House. There have been so many fantastic memories it would be impossible to share with you all of them. I would like to share with you just one before I hand over to Mrs Dunn and I start a new challenge in a different school. It was the academic year 2017-2018 and the money raising Marathon was coming up for the British Liver Trust and I had just promoted it in Turner House Assembly. The marathon was 2 days later and over those next few days I was absolutely delighted with how many students put themselves forward from all year groups despite being sporty or not. There was no surprise on the day that Turner House had the most amount of competitors and I was just so proud of them all and from that point Turner House has been a real force to be reckoned with. We have won so many house events and I want to say thank you to you all. You have been a wonderful group of students to motivate and inspire and I hope you will remember just how good it feels contributing to the school and the wider community and take that forward into your careers and lives. Take care Turner House it has been a pleasure.

Best Wishes Mr Bamber

WARWICK:

Head of House: Mr Cole

House Captains: Arnoldas Urbellis, William Ball, Izzy va Biljon, Ellie Durows, Gracyi Wilson

Charity Captains: Poppy Dalton, Megan Depellette, Grace Durows, James Gray, Edward Linsdell, Cerys Walker, Caiden Peacher

Chosen Local Charity: Anna's Hope

Chosen National Charity: SAAFA

Recent Achievements: Firstly I'd like to say a massive thank you and well done to all the students in Blue House this term, it's been a fantastic term resulting in us coming first place overall for term 6. Unfortunately this wasn't quite enough for us to finish in first place overall. Well done to all of our athletes who competed in Sports Day, especially those who went the extra mile on the day competing in events they didn't sign up for initially! A few special congratulations must be given following the KS3 Awards Evening; Grace Tidman, congratulations on winning the overall award for Contribution to Sport and Caiden Preacher who won the overall award for Contribution to Charity. A special well done also has to go to Ceri Thomas who has read an amazing 5,699,229 words this academic year, this is by far the most of any student in the school, with the lead students in other houses averaging just over 2,000,000!

Head of House Message: Thank you all for your support this year, it has been brilliant for me to take on the role as Head of Blue House and I look forward to my first full year next year. After a hugely successful end to this year I'm looking forward to starting next year with a bang and getting all our new Year 7s involved in as many events as possible. Have a lovely summer break and I'll see you all in September!

Best Wishes Mr Cole
