Bourne Academy...

Aspiring to Outstanding

Bourne Academy is the top mixed non-selective school in Lincolnshire

End of Key Stage 4 - Progress is consistently Well Above National Average: +0.59 (2019)

End of Post 16 - Progress is Well Above National Average: +0.06 A Level and +0.47 BTEC (2019)

We truly believe that the education we offer at Bourne Academy is exceptional ... and so is every one of our students.

As a mixed non-selective secondary school we pride ourselves on being able to provide a personalised approach that best meets the needs of each and every individual child.

Our belief is that Bourne Academy is a learning centre that encourages students to *Aspire, Challenge, Achieve* and as part of the wider family of the South Lincolnshire Academies Trust (SLAT), we have access to strong professional partnership links and outstanding educational thinking.

The school has myriad opportunities for children to access study support and extra-curricular programmes, often involving working closely with the local community, particularly in sport and the arts – including music, performance and the visual arts.

We expect students to work hard and be committed to learning and we believe in high challenge that is coupled with high support, including exceptional pastoral care. We also demand high standards of behaviour that allow effective learning and teaching to take place.

Our high expectations for teaching and learning, uniform standards, behaviour and student leadership programmes all show that Bourne Academy is aspiring to be outstanding in all we do.
